Why Choose the “Garden of Eden?”

This elegant design will bring your dream wedding to life with faux greenery, vines, hanging gardens, and authentic floral arrangements, all complemented by minor customizations to fit your unique style.

Since our inception, Next Level Tents had the vision of elevating events with elegant, unforgettable decor, and our "Garden of Eden" theme will be no exception. Let us help you create a stunning and magical atmosphere for your special day!

Hanging Vines

Green Garland with white wisteria used as our hanging vine options.

Tent Pole Greenery

Add green vines down the tent center poles to truly create an atmosphere that completes the Garden theme.

Leg Drapes

Use white linen drapes around the tent side poles to hide the poles and add an elegant charm to the event.

Eden Lounge

Create a lounge area within your event. Our Eden lounge matches the theme of the Garden of Eden design. This space is both beautiful and relaxig.

Hanging Vines

Next Level Tents uses vines similar as to what is shown in these pictures to create a hanging garden vibe to your tent.
