Presented By : Next Level Tents

Why Choose the “Garden of Eden?”

This elegant design will bring your dream wedding to life with faux greenery, vines, hanging gardens, and authentic floral arrangements, all complemented by minor customizations to fit your unique style.

Since our inception, Next Level Tents had the vision of elevating events with elegant, unforgettable decor, and our "Garden of Eden" theme will be no exception. Let us help you create a stunning and magical atmosphere for your special day!

Design Options

Hanging Vines & Tent Pole Greenery

Green Garland with white wisteria used as our hanging vine options.

Specialty Lighting

Rattan Lanterns can be hung over your dance floor to advance the rustic vibe for your event.

Tabletop Decor

Add Italian Rucus, Ficus Vines combined with faux flowers and candles to round or rectangle tables.

Green Backdrop Wall

- 8' x 10' Green Wall. Perfect for behind the head table, photo areas, ceremony arches, or bar backdrops.

Decorative Hanging Vines

Next Level Tents uses vines similar as to what is shown in these pictures to create a hanging garden vibe to your tent.

RATTAN LANTERNS

- Add Lanterns to catch your guests' eyes upon arrival.
- Add Greenery of some sort to each light fixture to continue the garden theme.

Decorate your side poles with garlands, olive leaves or more

Leg Drapes

POLE DRESSING

Add Vines or garland patterns to your center poles

TABLE TOP DECOR

Ficus Vines w/faux flowers & Candles

Italian Rucus Vines w/faux flowers and Candle

Battery Powered Candles
